

Coaches Clinic and Soccer Skills Clinic For Northwest Kiwanis Soccer Coaches and Players

Instruction Provided by Coaches and Trainers from Santos F.C.

These clinics are being offered to the players (boys and girls) and coaches of the Northwest Kiwanis Youth Soccer program by the Santos Futebol Club. Northwest Kiwanis Soccer has worked closely with Santos FC for many years. This collaboration provides an opportunity for the interested NW Kiwanis soccer player to obtain new, improved skills and all coaches, whether first time parent volunteers, or veterans, to get real, tested advice from some of the most experienced soccer educators in Columbus.
