

Dr. Bob E. Davis Scholarship

As many of you are aware, Dr. Robert E. Davis passed away on September 20, 2005. Dr. Davis was one of the original founders of the Tri-Village Soccer Association (TVSA). TVSA is the sponsoring organization for Santos Futbol. Without Bob's foresight and dedication, our children would not have the positive experience of playing and learning soccer in an environment where "Skill = Fun."

In honor of his dedication to youth in the Tri-Village area, Santos Futbol Club has arranged for a scholarship of \$1500.00 to be awarded in Bob's name this spring by the Northwest Kiwanis Club Foundation.

The scholarship will be awarded on the same basis as the other Kiwanis scholarships. We have asked that Bob's recipient be someone who participated in Northwest Kiwanis Soccer as a player, coach, referee, or volunteer sometime in his or her youth.

Applications for the Bob Davis Scholarship are available at your High School Guidance Counselor's office.
